			02	25		

It is the responsibility of the account holder to verify that the above amount(s) are correctly allocated each pay period. If a discrepancy is discovered, the account holder shall promptly notify the Credit Union. Allocations will be performed in the priority specified above. It is the account holder's responsibility to ensure sufficient funds are available for the allocations. If adequate funds are not available, allocations will be made based on the priority given above until all funds have been depleted. The account holder is responsible for any shortage or delays. Late charges and additional fees may apply.
