REQUIRED DISCLOSURES

This offer begins on July 1, 2017, and will end on September 30, 2017.

2x Rewards You'll earn 2 CURewards Points for each \$1 spent on airlines, hotels, and car rentals (one additional point on top of the 1 point per \$1 earned on each purchase). Please note that only airline, hotel, and car rental purchases made directly with the airlines, hotels, and car rental agencies will qualify for the bonus.

How you earn points You'll earn CURewards points when you, or an authorized user, use a Hawaii Law Enforcement FCU Platinum Rewards or Platinum Legacy Mastercard to make purchases of products and services, minus returns or refunds. In most cases, buying products and services with your card will count as a purchase; however, the following types of transactions will not count and will not earn points: balance transfers, cash advances, travelers checks, foreign currency, money orders, wire transfers or similar cash-like transactions, lottery tickets, casino gaming chips, race track wagers or similar betting transactions, any checks that access your account, interest, unauthorized or fraudulent charges, and fees of any kind.

Standard Rewards You'll earn 1 CURewards point for each \$1 spent

Rewards Categories Merchants that accept Visa/Mastercard credit cards are assigned a merchant code, which is determined by the merchant or its processor in accordance with Visa/Mastercard procedures based on the kinds of products and services they primarily sell. Similar merchant codes are grouped into categories for the purposes of making rewards offers to you. Every effort is made to include all relevant merchant codes in our rewards categories. However, merchants may sometimes appear to be part of, or may sell items that appear to fit within a rewards category, but the merchant may not have a merchant code in that category. Purchases submitted by you, an authorized user, or the merchant through third-party payment accounts, mobile or wireless card readers, online or mobile digital wallets, or similar technology will not qualify in a rewards category if the technology is not set up to process the purchase in that rewards category.

What do I need to know about earning rewards in the airline, hotel, and car rental categories? Only purchases/payments made directly through a properly coded airline, hotel, and car rental agency will qualify for the bonus. Purchases made through travel agencies, discount travel sites, vacation clubs, tour operators, or tickets booked as part of a travel package not offered by an airline, hotel, or car rental agency will not qualify.
